

FAST MASKING

Addum 20/40

Always ready for masking

Addum 20/40 is a practical masking dispenser developed to optimise your workflow. With room for three paper rolls in different widths (75, 200 and 400 mm) and integrated tape holders, you always have the right masking to hand.

It mounts on the Collectum work trolley (9-500), where it replaces the hose holder – or on a wall using two L-profiles.

KEY FEATURES

1 Three paper rolls

Widths of 75, 200 and 400 mm – always the right masking to hand.

2 Integrated tape holders

Paper and tape in the same place for fast masking.

3 Mounts on Collectum

Replaces the hose holder to create a compact, mobile masking station.

4 Or wall mounting

Can be mounted on a wall with two standard L-profiles.

5 Fast & easy masking

An organised, easily accessible solution reduces masking time.

6 Better ergonomics

Work comfortably and avoid unnecessary movements.

DIMENSIONS
